**Dr. C. Selvakumar**, Asst. Prof. of Mathematics  
**Dr. S. Agneswari**, Asst. Prof. of Zoology

## National Conference on Ecosystem Restoration and Sustainable Development (NERSD)

on  
12, 13 & 14 March 2022

Organized by

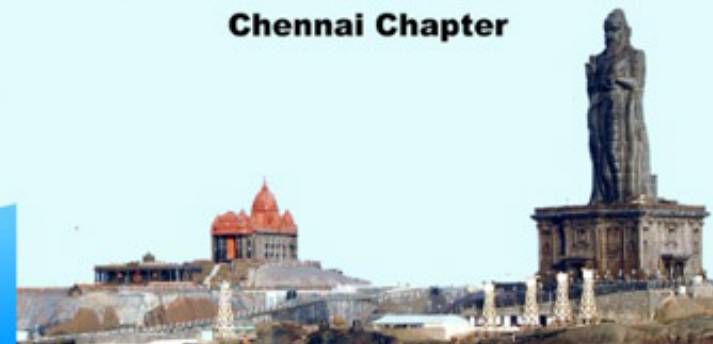

**Internal Quality Assurance Cell  
Vivekananda College**  
Agasteeswaram, Kanniyakumari – 629 701,  
Tamil Nadu, India

in association with

**Indian Science Congress Association  
Chennai Chapter**

## CALL FOR PAPERS

The Internal Quality Assurance Cell, Vivekananda College, Agasteeswaram, Kanniyakumari, Tamil Nadu organises the three day National Conference on “Ecosystem Restoration and Sustainable Development” during 12, 13 & 14 March 2022.

## VIVEKANANDA COLLEGE

Vivekananda College, a co-educational institution, was established in July 1965 by the Vivekananda Educational Society, Agasteeswaram to commemorate the historic sojourn of Swami Vivekananda at Kanniyakumari in 1862. Nesting amidst sylvan surroundings, the campus lies in proximity to the glorious Vivekananda Rock Memorial at Kanniyakumari. The founder of this College is Thiru. S. D. Pandianadar, B.A, Retired Senior Officer of the erstwhile Travancore-Cochin Government. The College campus is located in serene surroundings of 60 acres of land. The college which had a modest beginning of offering Pre-University Course in 1965, today has emerged as a vibrant learning centre of 11 Undergraduate programmes, 8 Postgraduate programmes, 2 M.Phil. and 6 Ph.D. Research programmes.

The vision and mission of the institution is to impart an excellent and qualitative education to the youth hailing from the socially and economically backward families.

## IQAC

The Internal Quality Assurance Cell (IQAC) of Vivekananda College was established in 1998. The college was accredited with B+ Grade by NAAC in 2006 and reaccredited with B+ Grade in 2018. The IQAC established at Vivekananda College continues to strive for creating an amicable academic atmosphere and promoting the overall development of the student community, in line with the core values of NAAC.

## THE CONFERENCE

The present day scenario poses a serious threat to the existence of the human society by worsening the environment. The college takes adequate measures towards the conservation environment. The IQAC of Vivekananda College, in line with the theme of this decade's UN Environment Programme, proposes to organize a National Conference on “Ecosystem Restoration and Sustainable Development”. This conference which aims at converging ideas and discussions on this crisis is able to arrive at a solution through the scientific insights of the eminent professors and scholars across the country.

The Conference intends to provide a platform to Scientists, Professors, Scholars & Students to present their original, innovative ideas and critical approaches to “Ecosystem Restoration and Sustainable Development” through the following sub-themes:

- Ecological Theories, Principles and Policies
- Ecological Processes and Ecosystem Functioning
- Economical, Social and Philosophical Implications
- Restoration Techniques in Different Biomes
- Real World Challenges and Threats in Restoration
- Establishment of Renewable Energy

- Agricultural Sciences, Biological Science, Energy Sciences, Environmental Sciences, Health Sciences and other Natural Sciences
- Bio-remediation, Bioenergy, Biomaterials, Toxicology
- Impacts of Ecosystem on Climate Change

Selected papers will be published in an Edited Book volume.

## REGISTRATION FEE
