Re : *Election of Members to the Executive Committee
and the Council for 2024-2025*

Dear Sir/Madam,

I would invite your attention to Regulations 9. (A) & (B) and 13. (A) (iv) & (B) of The Indian Science Congress Association which provide that the General Body (consisting of all Members with voting right and Honorary Members of the Association) shall elect ten members to the Executive Committee and seven members to the Council from amongst its Members (with voting rights). You are entitled to propose the name of one Member (with voting right for 2023-2024) for election to each body for the year 2024-2025. Such a proposal, along with consent of the nominee, must reach the undersigned on or before the 10th September, 2023.

The nomination along with acceptance may also be submitted in soft copies to the email id profkrverma@yahoo.com. They shall be accepted provided they reach within the due date and time. In such cases, hard copies should also reach later within a week.

The nominee shall have write to withdraw his/her nomination by writing to the General Secretary (Membership Affairs) by 25th September, 2023.

A list of persons who are ex-officio members of Executive/Council is given on the reverse. These names need not be proposed for the Council.

You will appreciate that owing to various reasons, it is not possible to send at present any printed copy of the *List of Members* enrolled till *July 15, 2023*, the last date for enrolment of members with rights of voting or holding any office of the Association. You would no doubt satisfy yourself about the membership of your nominee(s), if necessary, by reference either to the nominee(s) or to the office of the Association.

Yours faithfully

**(Prof. Ranjit Kumar Verma)
General Secretary (Membership Affairs)**
